IV. Reports

REPORTS TO REVIEW	Principal's report
DISCUSSION	School letter grade is B from A-dropped by almost 10 points, mostly in proficiency. Big push this year for growth points. Last year (2022) we had all proficiency points, this year we didn't get all those points. ELA is main focus. This month teachers are doing PD on reading interventions. Behaviors has been improving. Some is because of better supervision, some is more structure on the playground. Parent/Community engagement is good. Spooky reading night was a fun event with good attendance. Ms. M had a sports clinic with Salpointe. Parents seem to like more events. Working on more supervision outside-Ms. Cada and Mr. Brady are outside.
